ABOUT CALIFORNIA GUITAR TRIO:

Fusing classical, rock, blues, jazz, world music, progressive, as well as the quintessential California musical genre of surf music, California Guitar Trio's stunning virtuosity has earned them an enthusiastic following. Paul Richards of Salt Lake City, Utah, Bert Lams of Brussels, Belgium, and Hideyo Moriya of Tokyo, Japan first met in England at one of Robert Fripp's (of King Crimson) Guitar Craft Courses in 1987. Wanting to continue working together, Bert, Paul and Hideyo met up in Los Angeles and founded the California Guitar Trio in 1991. They've honed their intricate original compositions, surf covers, and classical re-workings into a repertoire that is striking to hear and mesmerizing to watch.
