### **CHINESE ACROBATS WANT THEIR MTV**

Ten members from the Shangri-La Chinese Acrobats® appear in the spring 2001-released music video "In My Pocket" from pop artist Mandy Moore. Matthew Rolston who has directed for Madonna, Marilyn Manson, Janet Jackson and Garbage directed the video. In a "Far-East-meets-rave/club-scene": motif, the acrobats juxtapose feats of contortion, balance and tumbling against contemporary and pop dance.

The Shangri-La Chinese Acrobats® return to the US annually for Fall touring.
